Backstory: They we're made conscious and killed the half-fish half-human in that order and control of that planet making it the perfect place for CheeseBurgers.

Planet Description:
Bars 32XV looks like a burger and has all the stuff a cheeseburger has. Its round and has oceans made of ketchup.

City/Country

Description: it's a nice city and is a great place to live. Cuz it was one of the first places to recover from the asteroid making it the capital of the world.

Political Climate / History: its a place manly a peaceful place but not to long ago the city got hit by a asteroid making the city like fallout-76. Then the burgers started a group and rose to power taking control and making it the perfect place for burgers and humans to live. [PS the fish/human people all died.

Q: What do you like to do in your free time?

A: I like to hang out with my friends and go to the skate park with them. Oh ya I also like to eat

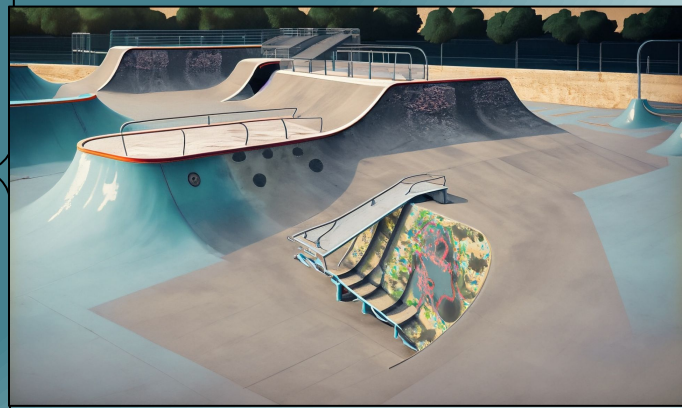

Q: What is your favorite delicacy to enjoy, unique to your planet?

A: fish sticks and cajun fries the fish taste different because our oceans are ketchup and the cajun fries are made with minerals only found on my planet

Q: What would you do if you suddenly came upon your planet's equivalent of one million Earth dollars?

A: I would have a big skate park built with everything in it and it would be open to everyone that knows how to skate or learning how to skate. But if theres an event everyone can go.

Q: What's one time you used an ability of yours to get out of a sticky situation?

A: One of my friends accidentally made a rift in time and space and when i went to fix it a old guy with his grandson showed up in a green portal and almost killed me but i got away with 0.009 seconds until they throw a bomb at me

Chapter One: an asteroid hit there planet but that should have been impossible because they had lasers to shot at any asteroids or enemy ships/attacks lots of people just said that the lasers were broken but they get looked at every month so someone must have turned off the lasers.

Chapter Two: he left to go find the man that turned off the laser that killed all of his family and must of his world he would go on the make a teleporter but the gun broke.

Chapter Three: The Hunt

he would follow find where he was hiding but when Mcfly got there he had left the planet but Mcfly didn't care how long it Mcfly would get revenge.

Chapter Four: New Ships

Mcfly was going through space hunting a mafia boss trying the make some smleks so he could get a ticket into the space arcade because he needed to do something fun.

Chapter Five: New Friends

At the bar Mcfly meets a alien and they start and both of them are hunting the guy that killed most of their people and hit it off so they start working together trying to find the real guy that killed most of their people.

Chapter Six: The Final Fight

Mcfly and his friend found the guy that they had been hunting for 7 years They had a long and destructive fight but in the end they won but at a cost they both were hurt really badly and they had an okay life in the end after getting revenge.

Chapter One: The Falling

An asteroid hit the planet named Bars 32XV, a planet in space that looked like a cheeseburger. But that should have been impossible because the planet had lasers to shoot at any asteroids or enemy ships/attacks. Lots of people just said that the lasers were broken, but they get looked at every month so someone must have turned off the lasers. Soon people started to panic and it started to turn into a free for all putting the planet in the worst it was ever in. After the falling everything and everyone was almost gone there were very little people left alive and the rest were turned into half dead monsters.*(PS these are not zombies their worst)*

Mcfly was one of the few survivors because he got lucky. Mcfly is a human with a burger as a head. Mcfly is super smart and sneaky. After sometime Mcfly got a place that was safe for the time being in an abandoned building on the side of a mountain. He started working on a way out of there.

Chapter Two: lift-off!

Mcfly left to go find the man that turned off the laser that killed all of his family and most of his world. He saw the man run out of a building into a shed. Mcfly would go on and then make a teleporter but the gun broke and he have up on the idea. After he left he found a abandoned ship he found his first dead body and Mcfly vomited all over the ships flooring. But this would show him the true horrors of space/the universe. Mcflys galaxy is a super dangerous one With a 5% life rate if you are not born or have 6 years of experience in space you "YOU WILL DIE IF YOU GO IN" said the narrator.

Mcfly did a 360 spinning around in a circle in his ship and only saw nothing. Then he started seeing white dots. Mcfly soon realized that it was. A parasite that he picked up from a space rat. He used most of his fuel for fly at 9% the speed of light to get to a space doctor.

PS this thing he got from the rat is like the black plague.

Chapter Three: **The Hunt**

Mcfly would followed the man to his hidout but when Mcfly got there the planet. He found him and found a building the was showing up on the rader that his enemy was in the building he went into the base. There was nothing on the main floor except one door that went down. The rundown ruins in one of the dark and moist basements.

The guy used the bases as a way to hide or confuse his enemies into stop hunting him. After someone kills the fake clone a silent countdown starts. After the timer gets to zero the hole base get blown into nothingness.

Chapter Four: **New Start**

Mcfly was going through space, hunting a mafia boss was 4'11 and had a 3 inch nose trying to make some smirks so he could get a ticket into the space arcade because he needed to do something fun.

Then Mcfly was traveling through space his ship ran out of space gas. Then he got attacked by space pirates he ended up killing all of the pirates and stole their ship and hunted down the rest of the space pirates and killed all their leaders ending that branch of the space pirates so he could get one ship!

Chapter Five: New Friends

At the bar Mcfly meets a alien named luna and they start and both of them are hunting the guy that killed most of their people and hit it off so they start working together trying to find the real guy that killed most of their people.

Well at the Mcfly and luna play a couple poker games the games bets were for materials and some smleks. After the third game everyone at the table could tell that of of the players that was very shady and looked like they're trying to hide something in there glasses. He was cheating.

Chapter Six: The Final Fight

Mcfly and his friend found the guy that they had been hunting for 7 years. They had a long and destructive fight but in the end they won but at a cost they both were hurt really badly and they had an okay life in the end after getting revenge. Mcfly and luna saw a suspicious signal on their space-radar. After they went to the planet there was a strange base it had tons of tons of old tvs that were stopping scanner from seeing the base.

Then Mcfly and luna fought..... HIS BEST FRIEND IN THE BASE he was making a bomb for another Bomb planet.

Mcfly yells "WHY ARE YOU MAKING ANOTHER ONE"

his friend Jimmy Bob said "because I need more power." Then Jimmy turned around and started to attack Mcfly and luna were ready and throw to boxes that had a green glow coming from both boxes, then uwa and awu stepped out of the boxes. As uwa and awu stepped out the got.... Three feet taller because awu and uwa are from a planet that is x70 times the gravity and 110% more dangerous compared to earth. That means its a human with nothing trying to fight EVERY SINGLE ARMY ON EARTH. Uwa and awu ran at Jimmy then Mcfly pulled out his most dangerous his! Skateboard that is the most powerful weapon in all of time. With this weapon Mcfly and luna mercilessly beat up Jimmy for killing almost everyone they knew. In the end Jimmy was in bits and pieces blood covered every square inch of Jimmy's basement Mcfly was soaked from head to toe in blood. He was being held back be luna to stop him from beating jimmy's dead body even more.
