Home Planet: Rizz Party Planet

On The Rizz Party planet, there is so many betas it's honestly embarrassing. Not me though, I'm one of the alpha skibidi leaders. There is a lot of technology because the betas need it, they're constantly searching up how to be a sigma alpha and learning everything off the internet since they're such losers.

Hometown: Alpha Kingdom

I live in the city of Alpha Kingdom, only a few special people get chosen to be on this planet, only the real alphas. There is only 8 Alpha's living in this city. We get a huge kingdom that takes up the whole city it's amazing. This is actually where I met my best friend Rizzy Cow!

Political Climate / History: There is many wars on this planet, everyone is constantly fighting over who is more rizzy or more sigma or alpha whatever. Honestly, the planet isn't really fair since you know there's only a few sigma alphas (me) but it's fine. There isn't really any "presidents" or "laws" on The Rizz Party planet so that's probably why there is so many wars.

Chapter One: A Little Speed Bump..

It was cloudy Wednesday evening in Alpha Kingdom on Rizz Party Planet and Nonchalant Goat was out to dinner with his family: his mother Mary, his father John Pork, and his sister Porkisha. It was all going good until, some action was rumbled up.

"So, Nonchalant Goat, when are you going to be healed enough to play basketball again sweetie?" Mary politely stated while she began to skim through the menu.

"Uhh, about like three weeks ish I don't know.." Nonchalant Goat upsettingly remarked.

"I know this makes you upset honey, I'm sorry I shouldn't have brought it up-" Mary said until she got rudely interrupted

"No. Stop being so soft on him. He should be good within a week, these doctors don't know what they're talking about," John Pork argued.

"Hun, quit. You know that he is seriously injured," Mary said as she slammed her menu onto the table.

"Hey guys, are you ready to order..?" the waitress asked. Nobody said a word.

"I'll come back to it.." she awkwardly walked away.

Chapter One: A Little Speed Bump..

Nonchalant Goat was done, he walked out of the restaurant and headed home, he decided he had enough for the night. When he arrived home, he got into the warm, soapy, shower and was lightly scrubbing his hooves. After he got out of the shower he did his daily night routine, laid out his clothes for the next day, brushed his teeth, wrapped his horns in rags, washed his face, and got into his pajamas.

"Gosh, what a night, could it get any worse?" he uttered as he crawled into his fluffy, 5 layered blanket and 10 pillowed bed. He turned off his lamp, put on his sleep mask, and shut his eyes. When all of a sudden..

Chapter Two: The Phone Call.

His phone began to ring! He was super confused because it was a "No Caller ID" but he picked up anyway.

"Hello?" he says. He rubbed his horn sleepily and brushed the hair over his ear.

"Hello Sir, is this Nonchalant Goat speaking?" a deep mysterious voice asked.

"Yes that would be me! What's up?" Nonchalant Goat remarked.

"We have seen numerous clips of your playing and let me tell you, we are BEYOND impressed. We would be happy to give you the offer of playing on our Alpha Kingdom college basketball team!" the deep voice exclaimed.

"Wow, thank you so much I would love to but-"

"Great! Your name will be entered into our system by 7 a.m. tomorrow!" the man stated.

"Okay cool.. When is the first practice again..?" Nonchalant Goat said anxiously. "The first practice will be held next week on friday March 7th!" he said.

Chapter Two: The Phone Call.

"Yeah so about that.. I don't know if this would work out.. I recently tore my ACL and the doctor says I need at least 3 more weeks of rest in order to be fully healed.." he said nervously.

"Well, you either play on it or you don't get to play at all. We already have a waitlist and we will just move onto next on the list if you don't let us know before March 3rd if you want this offer or not. Just, please try to reach out sooner than later because we don't want any last minute type stuff." the man said disappointedly.

"Yeah, thanks," Nonchalant Goat sighed as he hung up because he knew that this was all he has ever dreamed of.

After he hung up the phone he stared into the distance for a few minutes, putting a lot of thought into his decision.

Chapter Three: His Worst Nightmare.

Nonchalant Goat was just waking up, while checking his phone, he saw quite the surprise.

"So, have you heard that I'm going to take your place. Good luck buddy," Nonchalant Goat dropped his phone out of realization who was texting him. It was Insane. Goat.

"What in the world are you talking about?" he picked up his phone and texted.

"Oh you haven't heard," Insane Goat texted back out of joys.

"Clearly not," Nonchalant Goat stated back.

"Well, I got a call from Alpha Kingdom college basketball.. I put two and two together.. And realized they were going to replace me with you if you don't take the spot in time!" Insane Goat exclaimed while grinning behind the phone.

"And how exactly do you know that?" Nonchalant Goat questioned.

"Don't you even worry about it, better get on that!"

Chapter Three: His Worst Nightmare.

After hearing that, Nonchalant didn't even want to get up from bed. He's never felt more unmotivated and useless in his life. He checks his phone again to look at the time and he comes up with an idea! He dials a number into his phone and calls it.

Ringgg, Ringgg, Ringgg

"Hello? dad?" Nonchalant Goat says.

"Hey son, I know, i need to apologize-"

"No, dad, it's okay. But I really need your help right now. I don't know who else to ask," you can hear the stress in Nonchalant Goat's voice

"What? Are you okay?!" his father exclaims.

"I mean.. Kind of.." Nonchalant Goat said while looking at the ground.

Chapter Four: The Doctors??

Somehow, they ended up at the doctor's office shortly after that phone call.

"There is no way that there is no faster or stronger cure for my son!" John Pork complained.

"Well, there is one. But it's a make or break," the doctor said.

"What's that supposed to mean" Nonchalant Goat worriedly questioned.

"It's a 50/50 chance, it will either cure you super fast or cure you super slow.."

"We'll take it!" John Pork remarked.

The doctors looked at each other as they proceeded to get him the medication.

"Here you go sir.." the doctor handed him the bottle.

"Thank you ma'am" John Pork shook her hand.

As John Pork and Nonchalant Goat were walking to the car, Nonchalant Goat began to get a swirly, tingling feel in his stomach.

"Dad.. are you sure I should take this stuff?" he said.

Chapter Four: The Doctors??

"Yes. Think about it, it either works and you make the basketball team, or it doesn't and you just get more time to rest at home! You've really got nothing to lose son." John Pork explained while making clear eye contact with him.

"You're right." Nonchalant Goat said with a smile on his face praying it would work.

Chapter Five: Push through it!!

Nonchalant Goat begins to take the medicine consistently, twice everyday, a pill at 6 a.m. and a pill at 6 p.m. Unfortunately, Insane Goat is still there to remind him everyday.

"Better heal up!"

"Still sick huh?"

"Only so many days left.."

It was causing Nonchalant Goat so much stress and anger. He just wanted to be better. All of a sudden.. He woke up one day feeling better than he has ever felt! He hopped out of bed and opened his curtains to a beautiful sunrise. He was heading downstairs to begin his day as usual until he realized, he didn't need to hold onto the railing anymore while going down the stairs! He truly was beginning to feel way better!

Ding!

No surprises.

"How ya feeling buddy? You know you only got one more day!"
Insane Goat texted.

Chapter Five: Push through it!!

"Yeah, I don't think I'll need that extra day though, buddy," Nonchalant Goat sassily texted back as he pressed the block button on his phone.

Chapter Six: Basketball Team??

This was the moment, Nonchalant Goat was about to call and respond to their offer.

Ringggg, ringggg, ringggg

"Hello, this is the Alpha Kingdom basketball program. How can I help you today?"

"Hey, it's Nonchalant Goat. I received a call the other day from this program for my college basketball offer. I'd like to accept!" Nonchalant Goat exclaimed as his face lit up behind the phone.

"Let me just take a look at my computer.." the voice said in an odd tone.

"Okay sir"

"So, the spot isn't exactly taken but it sure ain't open.." the lady said while playing with her necklace.

"What's that supposed to mean..?" Nonchalant Goat nervously asked.

Chapter Six: Basketball Team??

"Uhh, they haven't decided if they want you or someone else. You guys are both on the roster with a big "OR" in between your guys names.."

"This must be a mistake, put me on the phone with the man I was talking to the other day!" Nonchalant Goat remarked.

"On it" she said.

"Hello? Is this Nonchalant Goat?" the deep voiced man asked.

"Yes. It is. And I'm confused on why this spot isn't mine. I called back in time, I feel better, and I'm good enough to play!" he argued.

"Well, we haven't been able to decide between you and another contestant so would you be willing to show up to a two person tryout?" the man replied.

Ugh this is nonsense! Nonchalant Goat thought to himself

"I mean, I guess.." he said staring at the ground, the smile he had on his face just a minute ago quickly faded.

"Great, it will be held at Gym A at 5:45 tonight." the man announced.

Chapter Six: Basketball Team??

"Yep.. Great!" Nonchalant Goat sarcastically remarked as he hung up. Now the tension was on, he already knew who his rival was which made him even more nervous. He had 5 hours to prepare though so, he got to it.

"Just got to make 20 more baskets, then I can stop." Nonchalant Goat said to himself. He had 30 more minutes until he had to leave his house. The adrenaline was higher than ever. As you would expect, the 30 minutes went by fast.

"Time to leave now.." he worriedly said to himself as he slams his car door. It was a 5 minute drive so he didn't have much time to calm himself down.

"Well, well, well, look who we have here" Insane Goat said in a teasing matter when Nonchalant Goat arrived.

"Oh please, I've got this" Nonchalant Goat sassily remarked. The tryout then began. It was a 2 hour long tryout session, the competition was on. Nonchalant Goat had a bad start but eventually stepped up his game as he warmed up. Insane Goat wasn't doing too hot though.

Chapter Six: Basketball Team??

Nonchalant Goat was making baskets after baskets, Insane Goat knew he had to clutch up. Seemed as if he was the nervous one now. Finally, the 2 hour passed. They are sitting in a different room together, waiting to get their results, the coaches are in the other room discussing and checking off their clipboards.

"Hey, I gotta give it to you, you did better than me out there" Insane Goat admitted.

"Thanks man, you did good too though don't tear yourself down" Nonchalant Goat replied as he looked up at Insane Goat.

"Gentlemen, we are happy to announce, we made one extra spot and you guys BOTH made a place on the team!" the coaches reported. Nonchalant Goat and Insane Goat jumped out of their seat in joy. They both ended up developing a friendship and keeping their past in the past. Everyday, they hangout and help each other improve on basketball.
